CA\$H Maine is a statewide collaboration of 10 coalitions, comprised of 50 non- and for-profit partners, working together to help empower Maine Individuals and families to achieve long-term financial stability.

The L/A CA\$H Coalition is meant to serve Androscoggin and Oxford County residents, but no income-eligible client will be denied service if they live elsewhere in Maine.

Since 2003, over \$59 million in refunds have been brought back to Maine and nearly \$6 million tax preparation fees have been saved.

Community Concepts is an equal opportunity provider and employer.
